Support your child to become Prep ready

Join our Prep-readiness program

In-catchment families can enrol in the "**Pre-Prep Possums**" program at Sherwood State School.

The program runs in **Term 4** and includes five fortnightly sessions, which concludes with a teddy bear's picnic, as well as a specially printed t-shirt for your child to wear.

During the program, your child will work with Prep staff on a range of Prep-readiness activities.

Places are limited so please secure your booking when you return your completed enrolment paperwork to the office.

The paid program includes all resources and staff supervision, as well as the t-shirt.
