## #1 3 MARCH 2020

### Weekly Donations...

Thank you for the gold donations last week. The winning class with the highest donations is **PGL**. Congratulations and well done.

**THIS WEEK**—(2-6 March) The classroom donation for this week is **Mother's Day gifts and pampering items**. Please bring to school during the week of 2-6 March. These items must be unopened and new. Please take to your child's classroom and not to the office. Some ideas for gifts are:-

- \* stationery,
- \* toiletries,
- \* tea cups,
- \* new books,
- \* Jewellery;
- \* and perfume.

All products must be in date. Winning class with most number of items wins ice blocks!

**COFFEE on Monday?..** Selina from Creative Gifts is organising a Meet and Greet coffee morning on Monday 9 March at Gas Espresso after drop off. There is no obligation to take on jobs for the fete. Just an opportunity to meet other parents. We'd really like to meet some Prep parents who are new to the school. Selina will talk about easy ways parents can help.

**STALLS...** Due to lack of conveners, our famous jam stall will not run this year. **We are seeking a parent who can coordinate the donation of home made jams** and contact church groups and other organisations to provide jams, chutneys, relishes and pickles for the day. Please contact Amanda and Claire on [stalls@sherwoodschoolfete.com.au](mailto:stalls@sherwoodschoolfete.com.au) if you can assist. If you can donate jams for the day, please also contact us using this email address. We will be selling these as part of another stall.

**TOY STALL...** This will run very differently this year. Toys will be donated the day before the fete. Any toys parents wish to donate should be cleaned and brought to school on **Friday 8 May** to be sorted and sold on Fete day. Small items need to be cleaned and placed in a zip lock bag. We will need helpers on Friday 8 May to sort the toys into price categories. This is one of the children's favourite stalls. We also really need someone to coordinate a roster for this.

We are also still requiring a tea room convener. If you love high tea this stall could be for you!

Any parent who is a business owner or has connections, please contact Alan on [fundrais-ing@sherwoodschoolfete.com.au](mailto:fundrais-ing@sherwoodschoolfete.com.au) to discuss ways you could help.

Thanks

Fete Committee

**NEXT MEETING**.....tonight! 3 March 7pm in the staff room.....every fortnight. All welcome.
