**PRINCIPAL’S MESSAGE**

Greg Nelson  
Email: gnels5@eq.edu.au

**Next Thursday, 28 November, there will a free clothes day. Children are asked to bring a $1 coin donation to support disaster victims in the Philippines.**

**Lego Robotics winners!** On Saturday we entered a Lego Robotics Team in the First LEGO League competition held at QUT. Ms Lesleigher and Mr Brown have been helping the students prepare for the competition. There were 60 teams competing, drawn from private and State schools both secondary and primary. All the teams are competing for the same awards, with primary students competing against secondary students. Last year the Sherwood team topped ranking for the primary schools and outperformed many secondary schools. This year the Sherwood team won the Mechanical Design Award and were offered to compete next week at the National Competition in Sydney. These teachers and the students are stars! Congratulations to all of you. The Sherwood students involved were: Lachlan Tait, Ulric Nieminen, Zeke Noller, Oscar Murphy, Caroline Puri and Joshua Daniell.

**School Captains selection for 2014:** Next year will be the final year at Sherwood for both our Year 6 and Year 7 students. Currently interested and eligible students are working through the very tough processes involved in our selection of School Captains. Students need to demonstrate outstanding capacities according to our Student Leadership Framework, but also must complete a demanding writing task and participate in an interview with a panel of staff to apply for final shortlisted positions. These shortlisted students are now preparing their speeches which will be delivered next week.

Current Year 5 students (Year 6 School Captains for 2014) will deliver their speeches on Wednesday next week at noon in the New Hall. Current Year 6 students (Year 7 School Captains for 2014) will deliver their speeches on Friday next week at noon in the New Hall. From these short listed students a final decision will be made by student and staff vote. Many very capable students are not selected in the end – the fact that we have so many very capable students is fantastic although I always feel disappointed for those who miss out, amongst them many outstanding Sherwood students.

**Reading Success:** This week I reviewed the reading performance of our Pre to Year 3 students. I am in awe of the success of so many of our students who are attaining reading competence way in advance of their actual age. We have a great number of students in the very early years of schooling already reading at an advanced level. When we couple this with the strong priority the strategies we have in place to strengthen student reading comprehension, note making and research skills it means that we are building a large number of super readers! These students will be exceptionally well prepared to succeed by the time they reach Junior Secondary School and I am enormously proud of their work and the fabulous dedicated efforts of their teachers.

**Enrolments for 2014:** We are getting very close to reaching our target enrolment number of 2014 with just a few places left in some middle and upper primary classes. This is a good place for us to be at this stage in the enrolment cycle. If you know of anyone who is ‘in catchment’ who has not enrolled in Prep yet please urge them to do so.

**READY READER VOLUNTEERS**  
Heidi Casperson

Reading is the key to learning! This year Sherwood State School has embedded our whole school Reading program. We have excellent reading routines and skills in place at our school. This year a number of dedicated Ready Reader trained volunteers have continued to work closely with individual students to help enhance their reading skills. I wish to thank Jocelyn Smith, George Smith, Claire Waugh, Clare Dutton, Rhoda Hooper, Lance Thorpe, Shannon Down, Sandhya Vemulapad, Corinna Lange and Donna Oakley for their commitment and enthusiasm when working with these students and look forward to the continued success of the program in 2014.

TUCKSHOP NEWS

Wednesday, Thursday & Friday (Closed Monday & Tuesday)

Cathie Perkins, 3379 3881

There are only 3 more tuckshop weeks to go as tuckshop is not open in the last week of school. We will be losing a few volunteers so if you are interested in helping out next year please drop by and pick up a form. Without your help tuckshop would not be able to function and nor would we have many of the tables and benches for the students to eat at, a number of which have been provided by tuckshop profits over the years. Have you noticed the new ones under the prep buildings? Volunteering at tuckshop is an easy way of helping out, maximum 10 days per year. To the lady who dropped by last Friday please return your form to me, yes we do need your help.

SHERWOOD SHARKS

Oxley-Sherwood Combined Club Night – Don’t forget to nominate!

This Friday the Sharks are joining the Oxley Swimming Club for a combined Club night. We would like as many swimmers as possible to nominate in advance for their races. This will help us start the night on time. Swimmers can nominate for 15, 25 and 50m races.

Nominations: If you have not yet nominated but would like to do so, please contact our Registrar, Janelle, at j.mcfarlane@uq.edu.au and she will make sure you are included in the program.

Location: Oxley State School

Time: Nominations open at 6:00pm
Nominations close at 6.15 pm
Racing will start at 6.30 pm
**Uniform**: Sherwood Sharks t-shirts and caps if you have them. If you would like to purchase t-shirts and caps prior to meet, remember you can purchase them at the Shark’s canteen before school. T-shirts are $25 each or $40 for 2. Swim caps are $10 and we also stock a variety of goggles.

See you all on Friday night!!!

**Canteen**: Snacks and drinks can be purchased from the Oxley Swim Club canteen. This is a great opportunity for us to all practice our good sportsmanship, race different swimmers and for us parents to practice multi-club meets for carnival days! Hopefully it will generate some awesome PB’s for all swimmers!

**Swimming Teacher Needed**

Sadly next year we are losing our beautiful Nemo and Hammerhead’s coach, Nikki, to the great Australian outback as she has now qualified as a primary school teacher. We will be seeking a replacement in the near future. The role is a paid role and the appointed coach will be required to work Monday to Thursday afternoons from 3:00pm until 4:45pm, Mondays to Thursdays (4 days) in term 1 and term 4. If you have the appropriate qualifications please express your interest by contacting our president at president@sherwoodsharks.com. The formal process of advertising and interviewing will commence in the near future.

**Tree Removal**

Work to remove around 15 pest trees in the areas surrounding the Sherwood School Pool will take place on **Thursday 21 and Friday 22 November**. This work will not affect our use of the pool itself BUT it does affect access to the pool through the car park and the FONA nature area. On Thursday and Friday, we expect the car park will be closed to all vehicles. It will be used for pedestrian access only. Access to the pool, whether through the FONA nature area or the car park area, will be regulated by the tree contractors for safety reasons. Depending on where work is being carried out, swimmers may have to access the pool from the car park gate rather than our normal McCulla Street entrance. For safety reasons, please comply with all instructions from the tree contractors regarding access to the pool area while they complete this important work. We understand works should be complete by 3pm Friday.

**Thanks for help St John’s Carnival**

A huge THANK YOU to Ann Clifton, Jodi Holmes, Bec Dunn, Lou Siganto and Coach Kendall who helped Asta organise the canteen after our usual breakfast sitting, and helped Asta prepare and run the canteen on Tuesday 19th November 2013 for St John’s Anglican College swimming carnival. The day was very successful for our club and canteen, and we definitely could not have done it without these wonderful people.

**Volunteers Required on Tuesday 26th November 2013 for Toowong State Schools Swim Carnival at Sherwood Sharks**

We have another carnival next Tuesday the 26th of November 2013 for Toowong State School who have also requested that the canteen be open. Please get in touch with a commit member if you are available to help!!!

**Friday night club night volunteers**

It is so lovely to see such an amazing number of parents getting involved on Friday nights. The last few club nights have seen a tremendous group effort and the evenings have run smoothly. Thanks so much.

**Reminders**

**Rubbish**

When you leave the pool area after swim club or training can you please pick up your a large own rubbish.

**Lost property**

We still have a large amount of underwear in our lost property box. We understand that little people (and some bigger people too) may forget all their items of clothing but could you take the time to look at the lost property box to ensure you retrieve all personal items. In contrast please do not take items that do not belong to your children, particularly goggles. The rightful owner will hopefully claim them.
