Ready Reader: Would you like to be trained as a Ready Reader to assist with this program at Sherwood? Contact the office and speak with Ms Casperson to find out more – it’s a great way of helping children learn to read.

Road Safety is just so important in this very busy part of Brisbane and especially with so many young children coming and going from the school. Are you playing your part? It is illegal to double park in Hall Street and our wonderful Lolly Pop Lady, Cheryl, is very concerned to see so many people not doing the right thing. Many others are leaving cars unattended in the drop off zone. I have contacted the police and BCC parking officers and asked for their intervention. Please obey the road rules around our school. The safety of our students is much more important than any other consideration.

Next week’s daily Skill Streaming lessons focus on saying thank you:

1. Decide if you want to thank someone.
2. Choose a good time and place.
3. Thank the person in a friendly way.

Take some time to talk about this with your children at home to support our school wide lessons.

I am very proud of our State secondary schools and the achievements of our local Indooroopilly and Corinda High Schools – it’s great to hear the positive stories of our students who enrolled in these schools in 2014. I also am so proud of State High last year for topping ALL Queensland schools in the number of OP1s achieved (41 in total!) and also the remarkable percentage of students achieving OP1-5s (48.7%). These are wonderful results achieved in State schools, and along with the options provided by the Smart Academies, give our students and families great options to consider.

This week I will finalise the DRAFT plan for our Great Results Guarantee funding and send this out for parents to provide feedback. Look out for the email if you are interested to have your say.

On Tuesday this week my supervisor, Assistant Regional Director Mike Kelly, visited the school for most of the day and visited classrooms across the school. He was impressed by the behaviour and politeness of students, the quality of much of the bookwork that he saw, and the welcoming and relaxed spirit of teachers. He also was enormously impressed by our work on differentiation and especially the detailed and comprehensive program to assist students with learning difficulties. We have a wonderful Sherwood staff team in 2014 and it’s fantastic to have the continuity in our staffing.

READY READER PROGRAM

Ready Reader Volunteers

Sherwood State School is seeking additional Ready Reader volunteers to support the current Ready Reader program. The Ready Reader will be working with individual students to help them gain confidence with their reading and become independent readers. On occasion, you may be working with students who are competent readers to assist with improving their fluency and comprehension.

Program Requirements

Volunteers can nominate the hours they are available for the program. However, Ready Readers are asked to commit to a regular weekly time that can be sustained over a period of time.

Volunteers are required to attend a one and a half hour training session to enable them to work effectively with early readers. The training will provide volunteers with supportive skills to develop essential strategies necessary for student reading success. Students will benefit from the consistent support to increase their language development, enhance their book selection and, encourage confidence and motivation to broaden their knowledge through reading.

All volunteers will need a blue card. The Working with Children check is a detailed national criminal history check, and allows people to be issued with the blue card. This card is required by any person proposing to work in a voluntary capacity, in a child-related area. The process for applying for a blue card will be undertaken during the training at no cost.

CALLING ALL NETBALL PLAYERS! A group of local mums play for Rangers Netball Club on Monday evenings as part of the Western Districts Netball Association "night season" - we have lost a few players recently and desperately need a couple of new people to join our team. This is social netball only - the games are fun and a good way to keep fit and meet new people, but rest assured we are not that proficient! - even if you haven't played for years (as most of us hadn't), you are welcome to join us. The games are on Monday nights, alternate 6.30pm and 7.30pm time slots. If you think you may be interested, please call SHONA on 0424 280 242 and I can give you more information.

LEARN THE FLUTE! Learn to play the flute with a beautiful tone with a local qualified Flute Teacher. Improve your performance in the school band, learn to play from memory and enjoy group lessons with the Suzuki Method, or prepare for AMEB exams in an encouraging Flute Studio. Visit www.brisbaneflutelessons.com.au for more information, and phone Helen McKee to arrange an interview or lessons on 0423 143 189.

WE HAVE PLACES AVAILABLE NOW FOR YOUR 3 AND 4 YEAR OLDS!!
Give us a call or pop in and say hello and let us show you what our wonderful Kindy has to offer.
