E-NEWSLETTER - To receive our Newsletter via email type the link below in the address bar of your browser.

Thank you to the many parents who have responded so positively to our Great Results Guarantee proposal. This support and the partnerships between home and school are vitally important to ensure the best education for our children. A number of parents commented about the need to extend our more able students as well as those with learning difficulties. I definitely agree and would like to provide a little more information about what we do to support our high achieving students.

Firstly, the Great Results Guarantee funding will be focussed on stretching all students and will include strategies for our most able students and also those we believe are just off the pace and potentially could be achieving at this highly capable level with a little extra support. We already have much in place. For example, Ms Hayler and Ms Casperson have already assessed the literacy capabilities of all of our Prep students and this information will be used to make adjustments to challenge appropriately our youngest Prep High Achievers. A diverse range of diagnostic testing, particularly in literacy and numeracy, is conducted across all year levels. This information informs teacher planning. In English and Maths all teachers are documenting in their OneSchool plans the strategies they are using to challenge their high achieving students. All classes and many year levels are using ability grouping for spelling, reading and maths. Particularly in the Early Years the very high expectations of the C2C are embedded in the daily lessons teachers are using. To support this work we have a school wide Thinking Skills Program including deBono’s Six Thinking Hats, Blooms Taxonomy of Thinking and other frameworks to explicitly stretch students’ thinking abilities. Teachers are using these program integrated into their daily lessons as part of effective differentiation and intellectual rigour – our school priorities.

We also have a number of programs in place targeting particular groups of highly capable students or students who could perform at this level with a little additional help. For example, in Year 5 there are a group of these students drawn from each of the classes to do an on-line maths course each Friday with Ms Van Bael. There are also students in Year 3 and Year 5 who work with Ms Rimmington particularly to strengthen their writing skills up into the highest level. We anticipate this program will continue with students from Year 2 and Year 4 next Semester. We also have highly capable students in Year 4 selected for a program developed by our local High Schools – later in the year these students will travel weekly to one of these Junior High Schools to work on ‘Stretch Programs’ in areas like writing, physics and technology.

There are a diverse range of extra curricula activities for highly capable students too, and these include activities like the Robotics Competition, OptiMinds, the Science STEM Conference and this year a new Maths Problems Solving Club. Also, in 2013 we became a partner school with the Queensland Smart Academies and currently we have 13 of our most highly capable students doing weekly on-line courses either in Humanities Research or Scientific Inquiry. Entry into these programs will be offered yearly to students who receive Academic Awards or the Academic Prize on Awards Day.

At the end of the day teachers make the greatest difference, we have wonderful staff and we are systematically adopting the teaching strategies that are proven to make the best student gains. We are already a high performing school, one of the highest in the highest performing Region in the State but we are working hard to improve.

Next week the Pro-social Classroom lessons across the school will focus on following instructions.

**Skill 5 – Following Instructions**

1. Listen carefully to the instructions.
2. Ask questions about anything you don’t understand.
3. Repeat the instructions to the person (or to yourself).
4. Follow the instructions.

Please talk to your children at home about these ideas.

Next month we have our P&C AGM. Do you value the good work done by our staff and community? Do you have a role to play? Please make the effort to be an active member of our school community – it’s what makes our school strong and successful. I am especially speaking to Prep and Year 1 parents – become involved and make this school an important part of your valued community.

(NB New times below for the next few weeks)  
Email: sssuniformshop@gmail.com

Senior shirts should be arriving within the next two weeks as soon as they arrive they will be distributed. Thank you for your patience in this matter. Also, those wanting to place an order for house shirts need to do so now so that they will come in on time. I will need to put in an order by 3 March. Any orders after this date will not be accepted. Thank you.

During Asta's convalescence, the hours of the uniform shop will be

Tues 8am -9am and 2:30 -3:30pm

Thurs 8am -9am

Thank you for your patience as I learn this new role. We all wish Asta all the best for her recovery.

We also have heaps of second hand uniforms, older style pullover jumpers are all going for $1.

TUCKSHOP NEWS  
Wednesday, Thursday & Friday (Closed Monday & Tuesday)  
Cathie Perkins, 3379 3881

If you were using munchylunch last year please ensure you have upgraded your child's class details, you can do this via your account by editing your child's details.

There are only two price increases on the entire menu this term: twice as nice are now 30c and hardboiled eggs have gone up to 80c. Please make sure your children have enough money for their twice as nice as we hate to see them miss out.

Tuckshop committee will be holding it's AGM on Friday 7 March at 2pm in the tuckshop. If you are interested in joining the Tuckshop committee please come along.

P & C NEWS

Help us improve the junior toilet facilities!

The P & C Association requests donations each year from families to improve the buildings and facilities of our school. A tax deductible Building Fund was created several years ago so that members of the school community could take advantage of a tax benefit when making a donation to the P & C's Building Fund (general donations to the P & C are not tax deductible).

All donations to the Building Fund are used specifically for school building maintenance and improvements, in accordance with relevant legislation. Receipts for tax purposes are issued by the Building Fund Treasurer. Through the generosity of the school community in past years, the Building Fund has contributed large amounts to improve our school facilities, including providing air-conditioning to many school classrooms.
Our focus this year is to raise sufficient funds to improve the toilet facilities for the junior school. We have a target of $30,000 - this will allow the boys toilet facilities to be reconfigured so that additional toilet facilities can be installed.

Please support the improvement and care of school facilities by donating to the Building Fund this year. The donations form can be accessed via the school website or you can collect a hard copy from the school office. Please return all forms to the school office. All donations will be gratefully accepted.

SHERWOOD FETE

To get an article in the newsletter please contact Kim Crane at sherwoodfete@yahoo.com.au or 0400792538

**Sherwood School Fete**

*Saturday 10th May 2014*

*“Families Together”*

**WINNERS – sugar donations!!  1B congratulations class**

*Keep that chocolate coming in until Friday!!*

**DONATIONS – help required**

Help required to collect and count the many weekly donations that we receive each week. If you are able to assist please call Sarah Hockey 0438 443 348

*Add an extra item to your shopping list*

Each week there will be grocery items listed in this newsletter (& around the school) and it would be very much appreciated if you could buy some one each week and bring it into your child’s classroom. Every item is needed by a stall eg. sugar for the sweet stall. The idea behind this is to allow those busy working parents who find it hard to give their time, to still contribute to the fete in a very much needed way. Please drop your shopping items in the FETE BAG provided in each classroom. The class that donates the most shopping items at the end of EACH week will win ICEBLOCKS for the whole class!

*So please start bringing in your items today.*

******************************************************************
ATTENTION STALL CONVENORS

Are you interested in taking on an empty stall this year?
Do you have a brilliant idea and a few friends to start a new stall we don't have?
Maybe you’d like to shadow a stall convenor, learn the ropes to take on a stall in the future?
Maybe you’d just like to work on a stall for a couple of hours during the day.
If any of this sounds like you - contact Trina Partridge - kipartridge@gmail.com
The fete will have many stalls – nearly new clothes, books, toys, cakes and the sweets stall just to name a few!! Now is the time to start sorting through & collecting those nearly new clothes, books and toys. Please think about what stall you would like to be a part of.

JAM STALL

Come one, come all. It is time again to get together for a chat and nibbles and make some Jam & Chutney
We are having three cook-offs before the Fete and if you could make it to just one we would love to see you.

Times are always from **1.30pm till about 4pm**

Where: Sherwood State School - The Old Hall

2/ Saturday   **5th April**

3/ Saturday   **3rd May**

Please email me if you can make it so I can send you a list of things to bring on the day

Many heartfelt thanks in anticipation

Anne Clifton - Email: janda.clifton@bigpond.com

JARS, JARS, JARS

The Jam Stall needs your empty jars.

Collect your jars and either drop them outside the Fete Room adjacent to the Tennis Courts or drop them to 72 Central Ave, Sherwood (leave in alcove).

Size of jars that are great are the Salsa Jars, Cheese Spread, Pesto or about the 250ml size.
Please no pasta sauce jars. Thank you, **Anne**
CREATIVE GIFTS STALL

We need you!!!!!!

We hope you enjoyed our soaps from last year’s fete. Give Shobi (0422 961 056) a call if you would like learn how to make those delightful natural soaps (free from palm oil). Hands-on workshop and you’ll be provided with a recipe to recreate your soap.

We need help with sewing projects, please give Claire (0412 911 240) a call if you can take home one or two simple projects to sew at your leisure.

Start crafting and donate your work to the creative gift stall. We would love to hear your suggestions/new ideas for this year’s fete.

Please place all donations under the Grade 6 building (opposite tennis courts) or 64 Thornburgh St, Oxley.

Thank you, Shobi

SECOND HAND TOY STALL

It’s that time again!!!

Time to sort through your children’s toys and donate those that are no longer played with and have become dust collectors!

I will accept all toys – including games, soft toys, baby toys etc - as long as there is still play left in them and they have no broken or missing bits. Please don’t donate toys that would be better put in the bin.

If you are donating toys that have lots of pieces eg jigsaw puzzle, please put it in a bag to keep all the pieces together.

You can leave your donations at my place 72 Chancellor St Sherwood or under the Grade 6 building at school. Thank you, Margie.

GARDEN STALL

Calling all gardeners!!!

The garden stall is looking for donations of plants, potting mix and colourful pots. We are also looking for volunteers to help make our garden stall a success in the lead up to the fete, and on the day.

We would love to hear from you if you have any donations or would like to be involved.

My mobile is 0433 186 210.

Thank you, Rebecca
**Important Diary Dates**

Please keep these dates free to come & help at the school:

1\textsuperscript{st} Working Bee: **Saturday 3\textsuperscript{rd} May @ 2pm school** – sorting tents, washing tables and chairs etc in preparation for the fete day the following week

2\textsuperscript{nd} Working Bee: **Friday 9\textsuperscript{th} May @ 6am school** – to help put up tents, arrange tables & chairs etc - (lots of strong helpers needed) @ 8.30am onwards – come and help with stall set up – toys, nearly new clothes, books and others all need help to move their goods from storage to their fete locations around the school, unpack them and make displays for them. So if you can spare an hour after drop off to help, it would be much appreciated (light but consuming work!)

3\textsuperscript{rd} Working Bee: **Sunday 11\textsuperscript{th} May @ 3pm school** – to assist in taking tents down & general clean up. Bring the kids, help pick up litter!! Many hands make light work!!

Please contact Murray Adams 0412 004 715 if you have any queries.

**School Fete Shopping List – 2014 – FEB - MARCH**

Please drop your shopping items in the “FETE BAG” provided in each classroom.

The class that donates the most shopping items at the end of EACH week will win ICEBLOCKS for the whole class!

So please start bringing in your items today!!.

**SHERWOOD SHARKS**

**Combined Club Night**

Last Friday night, 21st February we had an excellent combined meet with Oxley Swim Club. The children were well behaved and swam very well and we had an amazing crew of supportive parents, cooking on the BBQ, serving in the canteen and assisting with marshalling, timekeeping and as the registrar. This was wonderful and it made the evening progress well. Thank you so much for everyone who assisted.

**Friday Night Swim Club**

This Friday night, 28th February 2014, we will revert to our usual Friday night, with gates and registrations opening at 5:30pm. Again, we would like to remind all attending that to run a successful club we all need to remember to display our Sherwood Best at all times. Please ensure that your child is over at the marshalling area when they are racing and they have their cap and goggles on ready to go. If you wish to register in advance please email the registrars prior to 6pm Thursday evening with the details. All contact details are available on the website at SherwoodSharks.com.au

**Swimming Rules**

The coaches have spoken to the children regarding correct technique in all strokes. For butterfly and breast stroke swimmers must touch the wall with two hands. We are trying to teach children how to swim in a safe and fun environment. Children will be disqualified for not following the rules.

**Skills sessions**

Don’t forget that we run free skills sessions every Friday afternoon from 4 until 5pm.

**COMMUNITY NOTICES**

*(For detailed information see the noticeboard at the office)*

**LEARN THE FLUTE!** Learn to play the flute with a beautiful tone with a local qualified Flute Teacher. Improve your performance in the school band, learn to play from memory and enjoy group lessons with the Suzuki Method, or prepare for AMEB exams in an encouraging Flute Studio. Visit www.brisbaneflutelessons.com.au for more information, and phone Helen McKee to arrange an interview or lessons on 0423 143 189.

**GRIFFITH UNIVERSITY STUDY** Assessment and Treatment of Fears and Anxiety in Children-Griffith University-Parents, is your child fearful of certain situations or do they seem to experience ongoing feelings of anxiety? At Griffith University, we are conducting a large-scale study for children (10 to 13 years of age) with anxiety that includes a thorough assessment and a novel, home-based treatment using computers and telephone contact from a trained clinician. We are providing this service at no cost to families. To find out more about this project, please contact our team on 07-3735 3418, cadrp@griffith.edu.au.
