E-NEWSLETTER - To receive our Newsletter via email type the link below in the address bar of your browser.
Welcome to Term 2 – a very busy Term of great opportunities for students at Sherwood.

The P&C Meeting is next Monday evening (28 April, 7:30pm, Staff Room). You are welcome and I hope that we have a strong attendance to support our incoming P&C Executive. The Principal of Corinda State High School, Ms Helen Jamieson, will attend and will be available to answer any questions you may have about one of our fantastic local high schools that is undergoing remarkable improvement.

The Fete Committee have been working doubly hard to ensure we have a great day on Saturday 10 May! It’s time for you to invite friends and family to make sure we have a terrific day with a huge crowd. It’s a fantastic community event and you can be confident people will find something of interest – so encourage people to come along. On Friday morning, the day before the Fete, at 6am we need a strong roll-up of men to help get the marques, tents, tables and other equipment set up. It takes just an hour or two if we have many hands, so please put this into your calendar!

Skill Streaming is the source of our school wide pro-social behaviour lessons and each week, school wide, teachers discuss a topic with their class and follow this with some activities where necessary. Completing Assignments is the topic being discussed in the Upper Primary classrooms this week, and Playing Games is the topic for the Lower Primary.

This Term we are continuing with our focus on maths. We are preparing to introduce a range of new resources and activities drawing on the RoleM Maths Program for Prep to Year 3. This is very resource intensive and will take a little time to get ready but we are on the way! Yesterday at the Staff Meeting we reviewed our use of Mathletics which is an enormous resource for teachers and students. Using Mathletics to differentiate for our various student capabilities is one common way we will use Mathletics across the school, and also as a way of giving students some practice leading into NAPLAN style test questions for maths. Later in the Term we will continue with professional development of staff on maths problem solving strategies building a school-wide common approach. Next week Ms Hayler and I will start visiting classrooms to give the Number Facts and Mental Maths tests that teachers have developed at Sherwood – these tests set the standard of expectations we have at each Year Level from Year 2 to 7. I will keep you posted on our progress!

Please note that the Brisbane City Council Parking Officers are scheduled to visit Sherwood State School this term with a particular focus on adherence to the pick-up and drop-off zones.

**BOOK STALL**

Thanks to all those who have already donated books. Keep them coming! You can drop them off under the house at 43 Jerrold St, Sherwood. Enter through the front gate.

Books of all kind are welcome, but we are particularly short of upper school or teen fiction. If you have high school kids, please ask around your high school contacts to see if anyone has books to donate.

I would also be very grateful for any large, clean shallow fruit boxes (eg banana or apple boxes), which can be dropped off anytime.

Finally, if you are happy to help with sorting or can spare an hour or two to work on the stall on fete day, please let me know. **Kate O'Brien** [kateobc@gmail.com](mailto:kateobc@gmail.com) 0404 696 836
GARDEN STALL

Thanks to everyone who has offered to help with the garden stall. We can always use a spare set of hands! We are having lots of fun planting and planning for the stall.

Many of our seeds have germinated and we now need to move them to more spacious surrounds. So, we now need pots, pots and more pots! So, if you have any garden pots, please can you leave them at the fete room this week.

My mobile is 0433 186 210. Thank you, Rebecca

SECOND HAND TOY STALL

Time to sort through your children’s toys and donate those that are no longer played with and have become dust collectors!

I will accept all toys – including games, soft toys, baby toys etc - as long as there is still play left in them and they have no broken or missing bits. Please don’t donate toys that would be better put in the bin.

If you are donating toys that have lots of pieces eg jigsaw puzzle, please put it in a bag to keep all the pieces together.

You can leave your donations at my place 72 Chancellor St Sherwood or under the Grade 6 building at school. Thank you, Margie.

NEARLY NEW CLOTHES

It’s that time of year again when I ask for clean, NEARLY NEW clothes, bags, costume jewellery and shoes. Hoping you have all had time to sort through your wardrobes for clothes and accessories that no longer fit, you no longer like or you just want a change from. We will happily take them off your hands and find new homes for them. Delivery for items are at the delivery room (administration block).

Please label bags for easy sorting (THIS HELPS ENORMOUSLY) B - babies CB - children boys CG - children girls TB - teenager boys TG - teenager girls AW - adult women AM - adult men.

Please be aware that we CANNOT accept undergarments of any sort for health reasons. This store has always been successful due to the quality clothes we sell. Please don’t send stained or ripped clothing or shoes that are completely worn as we cannot sell them and it just adds extra work to dispose of them. Also, if you are on-passing boxed clothing that has been stored, spend a little time checking through as they might not be in the condition that we can use.

We are always light on Costume jewellery which is a huge seller as well as teenage Boys (I think they really wear out their clothes!) Sunglasses, belts, scarves and hats are other big sellers. We also seem to get heaps of requests for quality dress-ups. Anyone willing to give some time to the store on fete day can contact me on 0413 092 919 or 3278 4724 (Nicole Eaves) - any time will be appreciated. Otherwise, Friday, setup day is a huge day but goes smoothly when there is a lot of hands on deck.

Thanking you all in advance. Nicole
CAKE STALL

It’s that time again!!! All you cake makers our there get ready & start to think what delicious cake you can make to be sold at the cake stall! Boards will be arriving home soon. Please look out for these…….

SWEET RECIPES – SHERWOOD STATE SCHOOL FETE
“TRIED & TRUE”

CARAMEL FUDGE

2½ cups sugar  ½ cup milk
2 tablespoons of condensed milk  1 tablespoon of butter
1 tablespoon of golden syrup  1 teaspoon vanilla

Use a good simmer element if available. Bring all ingredients except vanilla to the boil slowly – boil together for 20 mins. Stir this mixture until it comes to the boil as it can burn easily. Do not stir after mixture boils. Take off the stove and add vanilla. Beat with an electric hand beater until mixture thickens. Pour into greased slice tray to set. Cut into squares while still warm. (double the quantity and double the boiling time to fit into a normal slice tin)

CHOCOLATE FUDGE

2 cups sugar  ½ cup milk
1 dessertspoon of cocoa  1 heaped teaspoon of butter
2 dessertspoons of golden syrup

Combine all ingredients, stir until boiling. Boil together for 6 mins without stirring. Remove from heat and beat with an electric hand beater until mixture thickens (ripples away from the beaters). Pour quickly into greased 20 x 20 cm tray to set. Cut into squares when set. (double the quantity and double the boiling time to fit into a normal slice tin - if does not work re-boil).

TOFFEES

3 cups sugar  1 cup water
¼ cup vinegar

Put all ingredients together in saucepan over low heat, stirring until dissolved and beginning to boil. Brush crystals of sugar off sides of saucepan with pastry brush. Boil until it reaches “hard crack” on sweet thermometer, or cracks when small amount is dropped into a cup of cold water. Take off heat and stand in cold water for 1 minute. Take out, and stand until bubbles settle. Pour into patty cake paper holders and stand 2 mins before decorating with hundreds and thousands, etc. Cool in fridge.

COCONUT ICE

750 g icing sugar  250g coconut
Can condensed milk  1 teaspoon vanilla
Pink food colouring

Sift icing sugar into bowl, add coconut and vanilla, mix well. Add condensed milk, mix well. Press half the mixture into greased and greased-paper lined 8 inch slab tin. Colour remaining half with pink food colouring. Press evenly on top of white. When set, remove from tin and cut into squares.
**QUICK MARSHMALLOW**

1 1/2 cups castor sugar  
1/2 cup cold water  
4 teaspoons gelatine  
1/2 cup hot water  
1 teaspoon vanilla  
1/2 cup toasted coconut

Place sugar and cold water into a large bowl and using an electric beater, whip for three or four minutes. Dissolve gelatine in hot water and while still hot add to the sugar mixture and beat until thick and white. Add vanilla. Pour into a lightly buttered dish. Do not refrigerate. Leave until firm. Cut up the marshmallow into squares with a warm, dry knife. Toss the pieces in coconut.

**CREAMY FUDGE**

60 g butter  
4 tablespoons water  
2 tablespoons syrup  
500 g sugar  
1/2 can sweetened condensed milk

Grease the inside of a large saucepan. Add butter, water, syrup, sugar and condensed milk. Stir over a gentle heat till the sugar dissolves. Bring to the boil and boil exactly 10 minutes. Pour into a lightly creased 20cm square tin. Cool and cut into squares.

**RUM BALLS**

250 g packet arrowroot biscuits  
11/2 tablespoons cocoa  
2 tablespoons (a dash more) rum  
1 cup mixed fruit  
1 tin condensed milk

Soak mixed fruit overnight (or longer) in rum. Crush arrowroot biscuits, add cocoa then mixed fruit, lastly adding condensed milk, mix together. Roll in small balls, then in coconut.

**APRICOT BALLS**

200 g diced dried apricot (packet)  
2/3 cup condensed milk  
2 cups coconut

Mix together and make into smallish balls. Roll in coconut, and allow to dry. Put into container in the fridge.

Are you a parent of a child with type 1 diabetes?

Every day, thousands of Australian children suffer the effects of type 1 diabetes and families struggle with illness management and children’s behavioural and emotional adjustment.

Positive Parenting for Healthy Living is an adaptation of the successful Triple P-Positive Parenting Program offering practical ideas and support for parents of children with type 1 diabetes. This innovative group program is designed to help parents manage their child’s illness, assist children in coping with their illness and emotions, and prevent and manage difficult child behaviour.

Over the next few months and for a limited time only, parents of 2-10 year old children with type 1 diabetes are able to access Positive Parenting for Healthy Living Triple P as part of a University of Queensland research project. Parents will be able to attend the program free of charge, and will be asked to complete 2 sets of assessment measures (questionnaire and family observation) over a 6 month period, as part of the study.
Contact Aditi Loban on (07) 3346 7689 or email diabetes.healthyliving@uq.edu.au or visit https://emp.psy.uq.edu.au/1diabetes for more information.
