Wow, who can imagine the Fete is this weekend!! YOUR help is needed to share the load. We need men tomorrow morning (Friday) at 6am to help set up the tents and put out the tables. We also need Mums and Dads on Sunday at 3pm to help tidy up the grounds ready for school on Monday. Both of these calls for help are very important - to share the work between many helpers makes the load so much easier! Please make the effort to come and help.

This week our students are learning to End a Conversation as part of their skill streaming lessons.
1. Decide if you need to end the conversation.
2. Decide what to say.
3. Wait until the other person stops talking.
4. Say it in a friendly way.
It’s a conversation you could follow up at home and help support what we are doing in our classrooms.

At the Staff Meeting this week teachers shared their approaches to maths problem solving. Across the school we are using a common approach which involves four steps:

### POLYA’S PROBLEM SOLVING TECHNIQUE

**SEE**

What is the question asking?
What information is important?

**PLAN**

What strategy will you use to solve the problem?

**DO**

Attack the problem!
Is your plan working?
Do you need a new strategy?

**CHECK**

Have you used all the useful information?
Does the answer make sense?
Have you met all the conditions in the question?
Write your answer as a complete sentence.

The students are using a Problem Solving Mat which helps structure their thinking to help solve maths problems in a methodical way. The next phase of learning for us will be soon, when Ms Savage and Ms Van Bael lead our teachers through a range of effective problem solving heuristics (strategies) including to write a number sentence, draw a diagram, use simpler numbers to better understand what is required and so on.

The Queensland Teachers Union has currently withdrawn support for the Independent Public Schools program. When the issues are resolved then we will again consider if we wish to proceed to become one of the Independent Public Schools.
MUSIC MESSAGES

Beginner Strings Workshop Day

A wonderful day was had by all the Beginner String players in Year 3 last Wednesday. Corinda SS, Ironside SS and Sherwood SS combined to create an impressive string orchestra. In less than a day they put together a performance for their parents that was both musical and entertaining. Many thanks to Ms Woollett and her colleagues for putting together such a worthwhile experience for the Beginners. They all had a great day getting to know each other and making music together.

Westcent Music Camp

Students who have made it into Westcent Camps should have returned all their paperwork to the office along with their payment. Any students who have paid to do the ICAS Science Competition during that week will have the opportunity to complete that test during the week of rehearsals. Please let us know if you have a student that is doing that competition so that we can set aside time and an appropriate space for them to complete the exam.

Treble Voices Festival

Well done to Cantori and La Bella Voci for their commitment and excellent attitude at the recent Treble Voices Festival rehearsal. It was a shame our bus had to detour in order to drop the children off safely outside Warrigal Rd SS leaving us a little late for our first rehearsal. The choristers took it all in their stride and made some great music in a very short space of time. Ticket orders have now been put into the Treble Voices Festival and they will send us the tickets as you requested.

The Sherwood Fete

I’m sure you’ve all got the times for our performances at the Fete, but just in case it has slipped away from your calendar of events for the 10 May, here are the times for our performances in the New Hall:

8:30am Beginner Strings
8:45am Junior and Senior Band (Monsterband!) – wear your performance uniform
9:00am Sinfonia – wear your performance uniform
10:30am Cantori – wear whatever you happen to be in at this time in the morning, can be sports uniforms, dance gear, performance uniforms, free dress
10:45am La Bella Voci – wear whatever you happen to be in at this time, can be sports uniforms, dance gear, performance uniforms, free dress

Please don’t panic if there are clashes between a commitment to a sporting team/dance class/other thing and your child is meant to be singing with Cantori or La Bella Voci, this is a very casual performance opportunity for the choirs and we make do with the students who are able to make it. No one will be penalised for missing this little shindig. Please make sure you are ready to perform on time for Sinfonia or Monsterband as we do require all the instrumental students to play, hence the early start for them to try and avoid sport/dance lessons.

Anyone who requires a performance uniform (both Senior and Junior Band will be playing in this and Sinfonia) please come and see Mrs Starr in the music room next week. If your performance uniform is now too small for you, please return it so you can upgrade to the next size. Try your uniform on over the weekend to be sure! New players will need to get some plain, black shoes to wear with their performance uniform. Black socks/stockings are also necessary.

Have a great weekend!

SHERWOOD FETE

IT’S HERE!!!!

THIS SATURDAY – 8.30am – 4.00pm
Sherwood School Fete

THANK YOU!!

We want to say a big thank you to all those generous parents for donating so many shopping items over the past weeks. Every stall will be all the better (and more profitable) for it. It is wonderful to see such enthusiasm and a healthy competitive spirit, alive and well in Sherwood State School families.

HELPING OUT

Friday 9th May

6am School – to help put up tents, arrange tables & chairs etc. - (lots of strong helpers needed)

8.30am onwards – come and help with stall set up – toys, nearly new clothes, books and others all need help to move their goods from storage to their fete locations around the school, unpack them and make displays for them. So if you can spare an hour after drop off to help, it would be much appreciated (light but consuming work!)

Sunday 11th May

3pm School – to assist in taking tents down & general clean up. Bring the kids, help pick up litter!! Many hands make light work!!

Fete Poster Competition winners
Congratulations!!!
Hoang Nguyen (1S) & Sakithya Thiyananthan (6C)

VOLUNTEERS NEEDED PLEASE!!!

Please contact Trina Partridge on 0400 443 301 or kipartridge@gmail.com with the time/s that you are best available for and we will find the best fit for you.

JAM STALL

JAM STALL preparations for Fete Day

We will be labelling and adding cloth tops to the nearly 800 jars from 1pm on Friday 9th May under New School Hall (or where our stall is allocated).

If you would like to come along for a chat and help we would love to see you. Many heartfelt thanks for all who have helped thus far to make the Jam Stall the best it can be.
Yours in jam, Anne Clifton (0408 782 115)

SWEETS STALL

YOUR HELP IS NEEDED!!!

Bring your sweets to the old hall on the Friday before the Fete in a container with your child’s name and class for packaging and the container will be returned to your child.

I also need helpers on the Friday 9th May to package all our wonderful sweets. Come along to the old hall from 9am until about 10.30am for a lovely morning of chatting, laughing and bagging.
Thank you for helping to make this year's Fete the best yet!
Vanessa Raymond 0410 343 313 or mvraymond@bigpond.com

BOOK STALL

Thanks to all those who have already donated books. Keep them coming! You can drop them off under the house at 43 Jerrold St, Sherwood. Enter through the front gate.

Books of all kind are welcome, but we are particularly short of upper school or teen fiction. If you have high school kids, please ask around your high school contacts to see if anyone has books to donate.

I would also be very grateful for any large, clean shallow fruit boxes (eg banana or apple boxes), which can be dropped off anytime.

Finally, if you are happy to help with sorting or can spare an hour or two to work on the stall on fete day, please let me know. Kate O’Brien kateobc@gmail.com 0404 696 836

CAKE STALL

Cake boards and cellophane should arrive home with your children today.

The cake stall relies on a last minute dash for cakes from as many families as possible, as they are something that really can't be made in advance.

Any contributions will be gleefully accepted.

Please label the cake, but no ingredient list is needed unless you are baking for a specific purpose such as gluten free.

If you are unable to make a cake but are still attending the fete, please consider dropping off your cake board as they can be used and each one costs 60c so they add up pretty quickly. Looking forward to seeing you all on Saturday. Many thanks, Katie

SECOND HAND TOY STALL

Thank you to everyone who has donated toys, there will be a range to choose from on Fete Day!

If you would like to help out, please call Margie 0418 759 125

NEARLY NEW CLOTHES

Thanks for all the clothes so far! If you have ANY spare time on Friday could you please consider helping me set up? It’s a huge job but many hands ease the load. Also, I have only a couple of people who have offered to help out on Saturday. I really need helpers for the day as the stall is big and we have lots of customers at any given time.
Has anyone been interested in co-convening this stall? In a couple of years my youngest child will be finished at Sherwood and I will be vacating the position (sadly) so it would be a great time to start now to get a feel for it and a handle on how to run it. It is a big stall, but its loads of fun sifting through all the kind donations.

**THANK YOU to all the Sherwood Families who donated clean, nearly new clothes.** This stall has a reputation beyond the community (with people travelling) as a stall which has great clothes for bargain prices and it’s all thanks to YOU. LET THE FUN BEGIN!!! Nicole

**LUCKY DIPS**

Are you able to spare some time on Fete Day to help me! Lots of fun for you and the kids and no food preparation required! Please contact [Annissa Hansen 0422 003 842](tel:+61422003842) if you can spare half an hour to help out with the lucky dip stall.

At Griffith University, we are conducting a large-scale study for children (10 to 13 years of age) with anxiety that includes a thorough assessment and a novel, home-based treatment using computers and telephone contact from a trained clinician. We are providing this service at no cost to families. To find out more about this project, please contact our team on 07-3735 3418, cadrp@griffith.edu.au.

Please find below the details for our next meeting.

Date: May 22nd
Time: 7pm - 9pm
Venue: St Matthews Church (car. Oxley & Sherwood Rds. Sherwood)
Speaker: Mr Peter Freney http://www.irlenclinic.com.au
Topic: “Reading & Learning Problems & Visual Dyslexia”
Cost: Gold coin appreciated

Peter Freney B. ED.(UQ), M. Ed. (James Cook), M.Ed. (Canberra University), FACEL–Peter has been involved all of his adult life with teaching and learning. As a School Principal in all sizes of schools, small to large, and later as a School Inspector, he has consistently tried to find better answers to how students learn, and why some find it so hard. This interest led him to wonder why some seemingly talented and intelligent children had great difficulty learning to read. He operates a private clinic, based on the Sunshine Coast but extending throughout Queensland, dispensing tinted spectral filters and advice about SS/IS, Dyslexia, and Learning Difficulties.

Would you like your family to live a healthier lifestyle?

Raising healthy children is an important aspect to positive parenting. Your child’s physical health can affect their growth and development, their ability to participate in school, sport and other activities, and how they get along with other children. Children who eat well and stay active are more likely to develop into healthy adults. Researchers at the University of Queensland are currently offering a FREE Triple P parenting program to parents of children 3 to 10 years in exchange for participation in research. Across three seminars you will learn strategies for…

✓ Managing both general and lifestyle-specific child problem behaviours
✓ Helping your child eat a healthy balance of nutritious foods
✓ Motivating your child to be more active
✓ Limiting screen time

The program is run at St Lucia and Ipswich, with free childcare available for families. To register visit our website: www.exp.psy.uq.edu.au/life
