PRINCIPAL’S MESSAGE
Dr Greg Nelson
Email: gnels5@eq.edu.au

The office has been receiving many requests for change of pickup places, people and times for students across all year levels. We realize many of these changes are unavoidable but we ask that firm arrangements are made with your child/children before they leave in the morning and to only contact the office in an emergency. Thank you for your assistance in this matter.

We are already at the half-way mark of Term 2 and our teachers are busy preparing for the Semester Reports. This is a big task and our teachers devote enormous effort to ensure students and families receive comprehensive and helpful information.

At our next P&C Meeting (Monday 26 May) there will be an election of the position of Vice President. We have now received a nomination and welcome any further nominations. This Friday 23 May is national P&C Day! Please take a moment to reflect on the many ways that our P&C and the many sub-committees work hard as volunteers to help make Sherwood a great place for our students.

In the last newsletter I raised concerns about children buying too many ice-blocks to share with friends. Cathy Perkins, our convenor, has explained that children are not allowed to buy more than 4 ice-blocks at once and also that for any parent concerned that lunch money may be used by children to purchase something other than their substantial lunch, orders can be placed on-line – go to our school website to find the link to Munchy-Lunch!

The Skill-Streaming lesson being discussed in all of our classrooms this week is **Offering Help to a Classmate**

1. Decide if the person needs or wants help.
2. Think of how you can help.
3. Decide what to say.
4. Choose a good time.
5. Ask in a friendly way.

You can help to support our classroom lessons by discussing this at home too.

FATHER’S NIGHT - THIS FRIDAY

Calling all fathers to come along this Friday night for a social evening at the Sherwood Services Club, Clewley St, Corinda (opposite the Corinda train station for those who don’t know it). You must be either a member or a guest of a member to enter the Sherwood Services Club - but membership is just $2 a year, and the Club is a wonderful supporter of our local community.

There is no need to RSVP, just turn up after 6pm this Friday night to the first floor bar area, and have a great night.

Cheers
The Social Committee

Are you a parent of a child with type 1 diabetes?

Every day, thousands of Australian children suffer the effects of type 1 diabetes and families struggle with illness management and children’s behavioural and emotional adjustment.

Positive Parenting for Healthy Living is an adaptation of the successful Triple P-Positive Parenting Program offering practical ideas and support for parents of children with type 1 diabetes. This innovative group program is designed to help parents manage their child’s illness, assist children in coping with their illness and emotions, and prevent and manage difficult child behaviour.

Over the next few months and for a limited time only, parents of 2-10 year old children with type 1 diabetes are able to access Positive Parenting for Healthy Living Triple P as part of a University of Queensland research project. Parents will be able to attend the program free of charge, and will be asked to complete 2 sets of assessment measures (questionnaire and family observation) over a 6 month period, as part of the study. Contact Adri Lohan on (07) 3346 7689 or email diabetes.healthy.living@qun.edu.au or visit https://emp.gov.qld.edu.au/t1diabetes for more information.
