PRINCIPAL'S MESSAGE
Dr Greg Nelson

I am very proud of the achievements of our feeder State High Schools – they have been achieving remarkable results in very recent years. State High had the highest number and percentage of OP1’s in the State and also the highest percentage of OP1 to 5’s for 2013. Corinda High is once again a State finalist in the Showcase Awards for educational excellence-the second year running and Indooroopilly offers the internationally accredited Baccalaureate and has maintained this international accreditation of excellence in teaching for many years. Our students also have the Science, Maths and Technology Academy (SMT) option for those who wish to focus on these areas in Year 10, 11 and 12. Our students have wonderful opportunities. These opportunities and achievements of our high performing State secondary schools give me confidence our students will continue to stretch and grow to be successful in their future lives.

I have heard wonderful reviews of the Treble Voices concert last Sunday that brought our fantastic choristers together with students from many, many others schools. What a wonderful Music Teacher our Ms Starr is! I know that she is also very grateful for the many helpers on the day including Ms Hayler, Ms Hamilton, Mrs Steenstrup and the awesome roadie Mr Wayne Frost (who is one of our cleaners!). These music opportunities are very special and will form part of lasting memories for the students involved.

As you know, this is the last year that Year 7’s will attend primary schools in Queensland. To commemorate this historical change we are planning to create an art work on one of the internal walls of the New Hall. There are many ideas already building towards something special – if you have any suggestions I welcome to hear them.

Recently I attended an outstanding presentation with four teachers from our school: Mr Frost, Ms Van Bael, Mr Cameron and Mr Moroney. The presentation was by Professors Doug Fisher and Nancy Frey who not only have their academic positions but also share together the full teaching load of a Year 9 class. I was impressed by many of their high quality research and teaching ideas. As a group we will continue to work together through Semester 2 to see how these ideas could translate into our classrooms. We were all impressed by the collaborative teamwork ideas focussing on productive group work – will keep you posted.

We have had a request from a parent for assistance with after school arrangements for her child in Prep. If you would like further information, or would be willing to assist, please contact the school office on 3716 2111.

AFTER SCHOOL CARE
Contact Details: Dave Smithson, Director, 3278 1658

As we approach the end of the financial year I'd like to take the opportunity to remind parents of their ability to elect for Child Care Rebate to be paid directly to the service. Families are only able to change their preference of CCR payment at the beginning of the financial year. Some families find it helpful in managing cash flow by reducing their initial out-of-pocket expenses. For further information please contact myself (Dave) or phone the Department of Human Services – 136 150.

Vacation Care forms are available from the OSHC office and website. Places are limited, book early to avoid disappointment.

Fortnightly statements for this week have been emailed. This Friday 6th June - Fortnightly (B) accounts will be charged.

Enrolment packages and forms are available from the Sherwood OHSC office or online at www.sherwoodoshc.com.au.

EVERY INDIVIDUAL MATTERS = EVERY ACTION COUNTS

A group of adventurous young people leave their school worlds behind and travel to the heart of Indonesia to face environmental challenges of our time. People are being threatened by accelerating economic, undeveloped orangutans and contributing to climate change.

This is a story about what it takes to be an eco-warrior, an individual willing to step up and do something to meet a global catastrophe.
