Term 2: Tue 22 Apr to Fri 27 Jun
Term 3: Mon 14 Jul to Fri 19 Sep
Term 4: Tue 7 Oct to Fri 12 Dec

E-NEWSLETTER - To receive our Newsletter via email type the link below in the address bar of your browser.

It was great to receive such positive feedback from the OSHC review by the Office of Early Childhood Education and Care, especially the comment about how well the staff connect with our students!

The Instrumental Music Program is one of the signatures of Queensland State Education. In this Region the Westcent Music Program is a fantastic opportunity for students to work with similarly talented musicians from many other schools. Learning an instrument is a gift for life. It’s not for every child but for many of our students it is a seed of knowledge planted for lifelong appreciation of music. We are very lucky to have a music teacher like Mrs Starr and also our instrumental music teachers, Ms Woollett and Ms Marshall. Their combined specialist knowledge of music is phenomenal. Music is one of our Sherwood heartbeats and I am enormously proud of the many achievements of our students in this area of their schooling.

On Tuesday afternoon this week Mrs Savage and Ms Van Bael helped our teaching staff build further their knowledge of how to teach mathematical problem solving. We looked at a range of heuristics (strategies) that will be included in our maths toolbox. Children will be taught how to use these strategies to solve different kinds of maths problems – sometimes making a table is effective, or drawing a diagram, making a number sentence, looking for a number pattern. By learning a range of these strategies over many years our students will become very effective building a deep understanding of mathematical approaches to solving problems.

The new carpet in the Library looks great. Soon the carpet in Year 7 classrooms will be replaced and over the vacation there will be a lot of different work done around the school including internal painting of Year 6 & 7 classrooms. We are also eagerly looking forward to the relaying of bitumen on our quadrangle and car parks! I’m sure the handballers will be ecstatic. By the end of this Term we will also have wireless computer access to the entire classroom areas of the school.

The skill streaming lessons for this week are focussing on Sharing
1. Decide if you want to share something.
2. Decide on the person with whom you want to share.
3. Choose a good time and place.
4. Offer to share in a friendly and sincere way.

Please take some time to talk with your family about the fair way to share.

Lost Property: Thank you to Rachel Wehl for doing such a great job of tidying up our lost property room this week. We are looking for a parent or two to take over the reins from our previous volunteers who kept this area organised and tidy. Do you have a little time to devote to keeping the lost property room organised? Please let Chris know in the Office if you can help.

BAND FANFARE
Rebecca Starr

Treble Voice Festival Sunday 1 June
Cantori and La Bella made it through the Treble Voices Festival on Sunday 1 June. Almost 900 students participated in the choral extravaganza at the Chandler Sports Complex Theatre. Thanks to all the supporters, parents and choristers for your hard work and energy!

Band Fanfare Wednesday 11 June
Congratulations to the Bandies and Stringies for playing so well on Wednesday at Corinda SHS in the Ed Qld Band Fanfare. It was great to be able to hear the high school groups perform for us before we tuned up and threw ourselves onstage (well, not literally, that would have been messy).

Both groups earned a Silver award for their hard work so far this year. Thanks to the family members who came along as a cheer squad, we always appreciate having you there to support our endeavours.

AFTER SCHOOL CARE
Contact Details: Dave Smithson, Director, 3278 1658

As we approach the end of the financial year I’d like to take the opportunity to remind parents of their ability to elect for Child Care Rebate to be paid directly to the service. Families are only able to change their preference of CCR payment at the
beginning of the financial year. Some families find it helpful in managing cash flow by reducing their initial out-of-pocket expenses. For further information please contact myself (Dave) or phone the Department of Human Services – 136 150.

Vacation Care forms are available from the OSHC office and website. Places are limited, book early to avoid disappointment.

Fortnightly statements for this week have been emailed. This Friday 13th June - Fortnightly (A) accounts will be charged.

Enrolment packages and forms are available from the Sherwood OHSC office or online at www.sherwoodoshc.com.au.

SHERWOOD SHARKS AGM
Our Annual General Meeting (AGM) is to be held at 7pm on Monday the 21st of July 2014. We are still looking for general members to help support this dedicated group of parents who maintain a vibrant and efficient club. If you would like to join this vibrant committee or simply attend the AGM, please contact any of our current members who's details are available on our webpage at http://sherwoodsharks.com/ or our president Yasmin Kennedy at (president@sherwoodsharks.com)

CASINO NIGHT – 6 SEPTEMBER
After the success of the gala evening last year, the Sherwood Social Committee are organising a Casino Night in the old hall on Saturday 6 September from 7pm to midnight. It will be a fun night with casino tables (using gaming chips and not real money!), a disco, food and a bar. So book your babysitter and prepare to party!

COMMUNITY NOTICES
(For detailed information see the noticeboard at the office)
SHERWOOD SCOUT GROUP SAUSAGE SIZZLE Please come along and support Sherwood Scout Group at their sausage sizzle this Saturday 14th from 9am to 1pm outside Woolworths on Sherwood Road. Many thanks!

TOTAL FOOTBALL ACADEMY will be running an after School soccer program during Term 3 at Sherwood State School. The program is for Prep to Year 4 Pupils. Registration forms will be distributed during a free demonstration. During the 6 week program games will be played inside an inflatable soccer field, which captures the imagination of students, giving them a great soccer experience. Training will take place inside a skills square focusing on different skills each week, such as dribbling, turning and shooting. As part of the program players can also purchase a soccer kit (Top and Shorts). The program starts on Thursday 31st July, Prep to Year 4, 3.15pm to 4.15pm. To sign up online visit www.totalfootballacademy.com.au or call Andy Robinson on 0413 888 643.

Please find below the details for our next meeting.
Date: June 19th
Time: 7pm - 9pm
Venue: St Matthews Church Hall (cnr. Oxley & Sherwood Rds. Sherwood)
Speaker: Jennifer Bostock-Ling, PHD candidate Uni of Sydney
Topic: "Life satisfaction of neurotypical women in intimate relationships with an Asperger partner. An exploratory study."
Cost: Gold coin appreciated
Lyndall & I look forward to seeing you. Regards Jane ph. 0448 909 863
Sports Holiday Fun
Game On Australia is offering a 3-day sports holiday program in July. This program will include lots of sports, games and activities to ensure an active holiday.

The Australian Childhood Vision Impairment Register

The Australian Childhood Vision Impairment Register is hosted by the Royal Institute for Deaf and Blind Children and is supported by Vision Australia and Guide Dogs. It is the first national register of children in Australia with vision impairment. The Register has been collecting data since 2009, and this data is providing important information about the types of eye disease and vision disorders children have and the support they need. The data is also used by service providers and researchers. Data is stored securely and no child can be identified in any way when the data is released.

🔗 vifamilynetwork.org.au

Families are invited to register their child (aged 0-18 years) if they have vision impairment in both eyes which has been diagnosed by an eye specialist or ophthalmologist. Registration can be completed by contacting Register staff on (02) 9872 0303, or by visiting the VI Family Network website at: vifamilynetwork.org.au. The website also provides information on eyes and vision; family support; education and related issues; braille and low vision aids; technology supporting vision impairment; newsletters from Australian low vision agencies and support groups, useful websites; and news and events that might interest families across Australia.

Progress Report on UAV Challenge Team

Maiden Flight of the Skycruise 2400 May 20 on the Indooroopilly Oval

A team of Years 11 and 12 students are working to head off to Kingaroy in the Tem 3 holidays to fly in the UAV Challenge. The students have been assembling and modifying remote control aircraft then flying them on the oval. They are hoping to hone their skills using the new simulator and are looking forward to the arrival of FPV gear. FPV stands for First Person View and involves installing a camera aboard the aircraft. The students will need to use the camera to identify a number of hidden markers in the challenge as well as to select the correct time to launch their food drop package to “Outback Joe”: a dummy whom the students need to successfully help rescue for the competition. The students are looking forward to figuring out how FPV gear works and trying out the goggles used to look through the on-board camera. We wish them every success as 2014 is the first time our school has participated and they are up against much practised adversaries.

Russell and Ben adjusting the centre of gravity of the Skycruise 2400

Tommy’s First Solo

On Wednesday 14th May, Tommy performed his first solo in Cessna 172 Alpha Foxtrot Romeo.

Tommy has wanted to fly since he was about 10 years old. As a Hong Kong citizen it was difficult for him to learn to fly there. His mother found out that Indooroopilly SHS did a subject called Aviation where students not only learned theory (in Aerospace Studies) but actually learned to fly. He came to Australia as an International Student at the beginning of Year 9 when he was 14 years old and started to learn to fly at Flight One during August of that year as do many Year 10 students.

Tommy has progressed well beyond solo stage during Year 11 and the beginning of Year 12; however, as he was not yet 16 years old, he has been unable to actually perform that important solo flight until recently. He hopes to complete his Private Pilot Licence by the end of the year and progress to a career in the airlines in the future. Congratulations Tommy.

The Great Origami Pet Shop

Origamidojo has discovered even more animals.

This holiday we visit the Pet Shop.

There are cats and mice and puppies and parrots and you can take them all home... Best of all you wont have to feed them or clean up the cages.

From the fertile mind of Master Folder Jonathan Baxter comes a whole menagerie of cute canines, friendly felines and precocious parrots ... that you will learn to fold from a single sheet of paper.

The classes are aimed at 8 year old and upward and are guaranteed to keep the students entertained long after the sessions are over.

The workshops are conducted at the Graceville Presbyterian Church Hall in Banks Road Graceville on July 8, 9 and 10.

The two hour workshop is run twice a day starting at 9:30 and 1:30 with three days to choose from.

The workshop sessions have been kept at $35 per student with all materials supplied.

In addition there are generous family discounts with parents and carers invited to join in for free.

For more information, contact Origamidojo on 3172 7291 or email kami@origamidojo.com.au.
