Student Reports were sent home yesterday and you should now have received them. Our Teachers have worked very hard to provide these very comprehensive Reports – please take time to read through them and if you would like clarification then make arrangements to meet with a Teacher in Term 3.

Over the vacation there will be some important facilities work undertaken around the school. The most significant project is the resurfacing of all bitumen areas including the quadrangle and car parks. I understand that this work will begin mid way through the first week of the vacation. Parents who have children at Vacation Care will need to access the Old Hall via Hall Street. Internal painting will be undertaken in Blocks A & B and there are also some extensions to our fencing.

At our Parade this week we celebrated NAIDOC Week and welcomed students from Inala SS who performed some Aboriginal dances for students. Congratulations to Joan Lebler, one of our Year 7 students, who gave a great speech at this important Parade.

The Skill Streaming lesson for this week is Knowing Your Feelings

1. Think of how your body feels.
2. Decide what you could call the feeling.
3. Say to yourself, “I feel ________.”

It’s so important for students to be able to build their understanding of their feelings and therefore take better self-control. Your conversations with your child/ren is vital to building this knowledge of self.

Please stay safe over the vacation and drive carefully if you are travelling on the roads to a holiday destination.

SENIOR ATHLETICS CARNIVAL - YR 4-7

The year 4-7 Interhouse Athletics carnival will be held over 3 days in the first week of term 3. All students will compete in all events and will receive house points for their efforts.

If a student is unable to compete in an event, they are asked to bring a note from home. Students are asked to wear their house shirt over the 3 days.

The 800m will be run on Tuesday 15th July from 9.30-11 00am. All the field events will be held on Wednesday 16th July and the 80m, 100m, 200m, ball games and relays will be held on Friday 18th July. Please note that year 3 students who were born in 2005 will compete in the 80m event against those born in 2005 from year 4.

Although the carnival is primarily a house competition, students performances will be used to select our school athletics team to compete at the Districts. Please note that the 80m and relay is the only event that 9 year olds compete in at the Districts.

Next term our new online system will be up and running. Current members of munchy lunch will receive an email through the holidays so that you can set up your new account and are ready to go from the first week. Parents who have not yet sampled the delights of online ordering will be able to get information on the new system from the start of term. We hope this system is even better than munchylunch, it works well on smart phones and tablets, I expect even the grade one students will be quite capable of ordering online, with a little bit of assistance!
