PRINCIPAL’S MESSAGE
Dr Greg Nelson
Email: gnels5@eq.edu.au

Congratulations to our School Captains and Vice Captains for 2015:

School Captains: Ty Dodd and Mina Laurence
Vice-Captains: An Buffini and Georgia Smith

There were a very strong field of candidates for the positions and I am proud of all students who stepped forward to show a willingness to take on these roles.

That was quite a storm last Thursday. We had significant damage but compared to many other schools were very fortunate. When I arrived back at school after the storm I was told our OSHC Coordinator's car had been crushed. When I spoke to Leanne about this her response was, “That’s ok, the kids are all safe”. I also commend Ms Sarah Johnston and Mr Clarke for making the area around the fallen branches safe, taping off access to unsafe areas. I am negotiating with DETE and Building Asset Services to find a solution to our Music Room which has had water onto the carpet on four occasions now, and twice very recently.

Generally we sustained relatively little tree damage compared to many other places. Each second year I have arborists assess our school trees and remove both dead wood and any lateral branches of concern. This is a practice we have continued over many years to ensure we can maintain the trees in good order.

Last week a mum of our school, Wendy Varidel, took a great photo of all students and staff who were present on the day. This photo will be put on our new art work in the New Hall, and also I would like to include on our website – if you have concerns about the latter then please let us know at the Office.

Currently we are proof reading and preparing the Student Reports which will be distributed to students Tuesday or Wednesday next week. This is a very busy time of the year of Primary Schools.

I hope to see many of you at our Carols Night next Monday evening in the Old Hall. We also have the year 6 Graduation on Tuesday evening and the Year 7 Graduation on Wednesday evening, Rock-n-Mime on Thursday, as well as Step Up Day that morning and Party Day in the afternoon!

The Spell-a-Thon raised just under $10,000 – a great result – thank you for your support! Mr Brown's Year 3 class raised just over $1,000 to win the Pizza Party. The iPad donated by our local Minister, Scott Emerson, was won by Hannah Carcary and the other prizes of $250 were won by Aadeesh Singhal and Jade Griffiths. Aadesh raised $385 - most of any student. All funds raised from this event will go towards our Artist-in-Residence Program for 2015.

ROCK ‘N’ MIME FINALS
David Hass

The Rock ‘N’ Mime finals will be held on Thursday 11 December at approximately 9:30 am in the new hall. You are all invited to join us in the fun of watching some creative and enjoyable performances.

See you there.

LOST PROPERTY

There is still an extremely large amount of items in the lost property room, including uniform items, other clothing, lunch boxes etc. Please ensure you look through these items and take anything that belongs to your child as soon as possible as anything not taken will be given away to charity before the end of the school year.
MUSIC MESSAGES
Rebecca Starr

Classroom Music

Mrs Starr has been a travelling minstrel over the last couple of weeks since the music room enjoyed an unfortunate dunking during the last two storms. Hopefully the music room will be open for business again next week once the blow dryers are out and the carpet has been cleaned. Thanks to all the teachers for their patience as music lessons have been held in classrooms. Music folders have been returned to their owners and, hopefully, will be tidied up and recycled for use as music folders next year! A non-refillable display folder is on the booklist for music, so you may as well re-use the one from this year if it is still in one piece. A quick clean with some soap (or a scrub with an eraser for some!) will have them ready for 2015.

Choirs

An honorary choir made up of the best voices in year 6 and 7 performed at Awards Day along with our lovely string sextet and flute quartet. All performances were received warmly by the audience. Those students interested in being part of choirs in 2015 will have a note sent home early in the new year. La Bella Voci will be made up of Year 5 & 6 students in 2015 and Cantori will be our younger singers from Year 2 to 4. Membership to La Bella Voci will be by invitation based on singing ability, in particular the ability to sing in tune and in time when performing in canon with Mrs Starr.

We would like to farewell our Senior choristers and thank them for their work in the Sherwood Choirs. We will miss them in 2015 and hope they take the opportunity to keep singing in high school! If not at school, find a community choir, find a local musical theatre group, whatever you do, keep singing!

Instrumental

Instruments have been returned and tucked in for the summer holidays. Students beginning in the program next year should have returned any paperwork to Ms Marshall and Ms Woollett. Those students continuing in the program should also have returned their note for 2015. I’m sure there will be some lovely instruments being delivered by Santa this year, don’t forget to get some practice in before you get back to school next year!

Thankyou to our Senior players for all your efforts over the years, have a great time wherever you are next year. Keep playing music! Don’t let it fall away from you in high school! We hope you keep making music in some capacity throughout your lives.

Recorder Ensemble

We are adding another element to our Instrumental Ensembles for 2015. A recorder ensemble will be available to the students. This new ensemble will offer a place to play for Year 3-6 students for various reasons:

- Year 3’s not in the strings program because they are waiting to try out for the band in Year 4 but really want to play in an ensemble
- Year 3-6 who don’t wish to play in the strings or band but really want to be in an ensemble
- Students in Year 3-6 who aren’t offered a place in strings or band but want to play in an ensemble
- Students in Year 3-6 who just want to play in the recorder ensemble because they really want to play in a recorder ensemble!

A note regarding the recorder ensemble will be sent home as soon as possible. There will be a small cost to cover new music and we will organise a bulk order of recorders to get them at the best price we can. If you have a Yamaha or Jupiter recorder at home it will be perfectly fine for the recorder ensemble in 2015. Please don’t purchase recorders from the Discount stores as they are rarely in tune!

Any queries about the music programs in 2015 please email Rebecca Starr at rstar35@eq.edu.au

Have a lovely Christmas holiday and we look forward to seeing you in 2015!

Last Friday Night Club Night for 2014 PARTY!

Our last club night of the year is this Friday 5th December 2015. We ask that everyone bring a yummy plate of food to share. We will be celebrating the end of a fabulous year of swimming achievements and skills improvement. Asta will not be supplying dinners and we won’t have the barbeque fired up as we will be reducing our stocks for over the Christmas holidays. We will have chips, drinks and ice blocks available for purchase. Come and enjoy the last competitive swim of the season and the party. In addition we will be asking for a gold coin donation on entry. This is our Christmas gift, as a community group, to a charitable organisation. This year we will be donating the donated funds to Brain Injury Australia. We chose this organisation as Brain Injury Australia raise awareness about acquired brain injury and advocates for services and supports for people with the disability, their families and carers. Sadly in Australia there are a number of people every year who acquire a brain injury through near drowning. We at Sherwood Sharks feel that through the work of our professional coaches and volunteer members, we assist in increasing children’s swimming skills and dramatically reduce the risk of drowning but we want to assist others less fortunate. The donations will directly assist those people who have the misfortune to be impacted by an acquired brain injury we are. Thank you for your generous contribution!

Announcer and race starter - Replacement volunteer needed

For a number of years now Andrew Barton has volunteered as not only our webmaster and a solid committee member but also as our Friday Night Club race announcer and race started. Unfortunately Andrew is moving on as he will no longer have children in the Sherwood Sharks as his youngest moves into high school next year. If you would like the role of race announcer and starter please let a committee member know. All contact details are on the website. PS. You do not have to join the committee nor be the webmaster as this position has already been filled by the lovely Vanessa Chapman. You just need to perform the role of race announcer and starter at Friday Night Club. The perks are that you get the best view of your child racing.

Go For I.T. gURL!

We had a great time at the 'Go For I.T. gURL's program', which was held at QUT's Gardens Point campus! We got to meet and talk to QUT STEM Student Ambassadors and IT industry experts, and they also presented their interesting IT experiences to us.

The program ran for two days and during this time we interacted with the latest technologies and learned many exciting things: encryption and code breaking, writing simple HTML code, designing circuit boards, making smart fabric - wearable computing, data mining, creating mobile phone apps, playing on a stomp mat, and we also went on a campus tour. The campus tour and chatting with others during breaks was interesting and offered us an opportunity to learn from and make friends with girls from other schools as well as the QUT Student Ambassadors.

To our delight, Kattlyn Lyons, an ISHS Alumnus, was one of the Student Ambassadors running the program. A highlight was definitely the fabulous time we had playing with The Cube, a giant state of the art interactive LED touch screen computerised display system, where we emulated car games, chose the right fuel to blast rockets into space, and formed chemical experiments.
