PRINCIPAL’S MESSAGE
Dr Greg Nelson
Email: gnels5@eq.edu.au

It’s exciting to be back at school and hearing so many stories of holidays and family adventures.

Parade for 2015 will once again be combined to include Year 1 to 6 students and will be held each Tuesday at 2:20pm.

Welcome to new classroom teachers - Ellen Richards (Year 1) and Adam Daley (Year 6). Also we welcome other new staff to various roles including Tracy Freeman our Literacy Coach (2 days each week), Trishelle Teske-McCarthy supporting students with disabilities, Penny Kourra supporting English as Second Language learners.

This will be an exciting year for Sherwood – a year when we continue to strengthen our teaching and curriculum. RoleM is a new maths resource that will be introduced across Prep to Year 3 classes. Our aim is to build a deep foundation of mathematical understanding with these resources – lots of concrete materials to help students build their fundamental understanding of maths concepts.

Our new Literacy & Numeracy Coach will focus on writing and also help build consistency with the ways that we teach spelling. We will develop a new Sherwood State School Writing Program based on newly released Departmental resources – the resources are excellent, and combined with the expertise of our Teachers, will help to strengthen this aspect of student work. We will also be reflecting on what teaching approaches are proven to be most effective and learning about a model of teaching referred to as the Gradual Release of Responsibility. It’s an explicit teaching model that aligns with what teachers already know to be good practice and will give us the opportunity for teachers to talk about how they approach teaching in their classrooms and share good ideas across the classes.

P&C Meetings are held on the last Monday of each month – our first P&C Meeting for the year is on Monday 23 February at 7:30pm in the Staffroom (next to the Office). Why not mark this important day in your calendar. The Fete Committee is meeting next Tuesday evening 3 February at 7:30pm also in the Staffroom – you are very welcome.

MUSIC MESSAGES
Rebecca Starr

Welcome back! And welcome to our new members of the Sherwood Community! The music department at Sherwood is gearing up for another busy year (when have we not?) and at this point there is a little housekeeping to deal with before we kick off instrumental lessons and ensemble rehearsals.

Classroom Music

All students attend classroom music lessons at Sherwood. Our program is vocally-based which means we sing! The one instrument you all got for free and cannot possibly leave at home! Students should have a non-refillable display folder in which to keep their worksheets throughout the year. This was included in the booklist and students were encouraged to recycle the one they had from last year. All students will need to bring their own pencil case to music classes and we always work in pencil. Students are responsible for being prepared for their music lessons and that means practising songs we have learnt in class! If you do not hear any singing around the home, perhaps it’s worth asking what they are learning and asking for a performance! Throughout the year we will endeavour to keep you up to date with songs and games we have learnt so that you can ask for them specifically. Children love to know that their music is worth something to you, so don’t be afraid to get involved and sing along with them!

Instrumental lessons

We have new recruits starting this year in both the Strings program and the Band program. If you have a student that has been playing at a previous school or having private lessons on a string or band instrument (unfortunately we don’t teach guitar or piano) then feel free to contact Rebecca Starr at rstar35@eq.edu.au to ask about continuing lessons or being part of the school ensembles. If you are a student that was offered a place in one of the instrumental programs and you are still to return a form from last year, please do so as soon as possible. Invoicing for the programs will be completed in the first month of the term. Students borrowing an instrument from the school for the year will be invoiced $110 and those using their own instrument will be invoiced $85 for the year. Please check with the ladies in the office if you would like to organise a payment plan for the program.
**Strings:**
The Beginner String students (Year 3) will be kicking the year off with an all-day workshop with Ms Woollett in Week 2 on the Tuesday 3 February. Details will be heading home from Ms Woollett via email. Lessons for all String students will begin in week 3, Tuesday 10 Feb. Rehearsals for Sinfonia will start Tuesday 17 February in the Music Room.

**Band:**
Lessons for the band students will begin in Week 2 on Tuesday 3 February. Students just starting out in Band will be given their instruments that week. Rehearsals for Band will begin in Week 4 on Tuesday 17 February in the New Hall.

**Choirs**
Our choirs this year are going to be expanded with the addition of a Year 1-2 choir. This will rehearse before school on Wednesdays from 8:15am to 8:45am in the Music Room. Cantori is our Year 3-4 choir and rehearses from 7:45am to 8:45am on a Thursday morning. La Bella Voci is our auditioned choir for Year 5-6 and invitations were sent out to students at the end of last year. La Bella Voci will be rehearsing on Friday mornings at 7:45-8:45am in the Music Room. New students to the school are welcome to apply to be part of this choir and their voices will be assessed during the first couple of weeks of school. The expectation for La Bella Voci choristers is that they can already sing in canon (a round) in tune and in time with Mrs Starr. Don’t panic! Many new students are already very capable of doing this! Choir rehearsals begin in Week 4.

Any queries about the choirs can be directed to Rebecca Starr at rstar35@eq.edu.au

**CLASS SWIMMING**
*Kathy Morgan, HPE Teacher*

Swimming will begin next week for each year 1-6 class. Please complete and return your child's permission to their class teacher by next Monday. All children are reminded to bring their swimming cap, sun safe shirt, togs and towel all clearly named in a labelled swimming bag.

**DISTRICT SWIMMING TRIALS**
*Kathy Morgan, HPE Teacher*

Swimming trials will be conducted this Friday at school for the WTB District Carnival (for children born 2005 or earlier) on February 9th. We are only able to nominate children who meet the strict WTB qualifying times. The times are posted outside our School Hall. Children can be automatically nominated if they have recently met the qualifying times that can be confirmed by their coach. There is no need for any Sherwood Shark swimmers to try out on Friday as the club will provide the names of all those who have qualified. Friday’s trials will therefore only be for children who train at other clubs and are not able to provide times. Children who have times from other clubs will need to provide them to us by Wednesday 4th February. If you have any question please see Mr. Clarke or Ms. Morgan.

**AFTER SCHOOL CARE**
*Contact Details: Leanne Davey, Coordinator, 3278 1658*

Hi Sherwood Families

The OSHC team would like to wish you all a Happy New Year for 2015 and trust that the holidays brought great joy and hopefully a little rest.

2015 has brought many new families to Sherwood and to Outside School Hours Care. We have had quite an influx of enrolments, especially since the beginning of this year. The fortunate side of this is that we can assist so many families from the school who need our service. However, the unfortunate side is that many sessions are now booked out with only a few remaining places left in others. To keep you updated, please see the table below for available places.

SHERWOOD FETE MEETING - 3 February – ALL WELCOME!
"Here we go again!"

One of the biggest school fetes in SEQLD will be happening on Saturday 9 May and its at OUR SCHOOL!!!

However this won’t be possible without the support of the school community. The fete is the biggest fundraiser for the school and in recent years has always made over $50,000 profit each year which has been ploughed directly back into the school paying for equipment such as air-conditioners for the classrooms, shade sails, I-pads, computer equipment etc.

This Tuesday 3 February at 7.30pm in the school staff room is the first fete committee meeting of the year and we really need your support to make the fete happen again. We’re not an intimidating bunch of parents and we will be really grateful if you could come along on the night to add your suggestions or take on a small task. Even if you just come along and have a drink with us, you’ll be made very welcome!

Looking forward to meeting you then!
