PRINCIPAL'S MESSAGE

Dr Greg Nelson

Email: gnels5@eq.edu.au

It was terrific to see so many parents attend our Meet-the-Teacher evenings and also to see the level of interactions in the classrooms. Thank you to the many parents who were able to attend. Soon (if not already) you will receive a class Newsletter outlining the program for the Term. At the end of Term there will be an opportunity for you to meet your child/ren's classroom Teacher one-on-one to talk about the progress being made in learning and work habits. I welcome any feedback you may have on our recent Meet-the-Teacher evenings.

The first P&C meeting for 2015 is on Monday 23 February (the last Monday of the month). The meeting will start at 7:30pm and be held in the Staffroom next to the school office. Please feel very welcome to attend – ideally we would have between 15 and 20 parents regularly at these meetings to ensure good governance and decision making that is informed by a fair cross-section of our community.

Plans have been drafted to extend the Junior Boys Toilets. We have tried various external sources of funding to have this work completed but without success. Last year the P&C decided that they would fund the extension and hopefully we will get this work underway soon.

Recently a parent asked me about our school expectations for Number Facts and Mental Maths. A child who is good at Number Facts has a great advantage in maths. We are giving this a priority (along with Problem Solving) to ensure student success at the National Curriculum for Maths. You can help by giving students practice at their number fact tables as they are identified in children's homework. Number fact families are important relationships for the students to understand.

An example is $3 \times 4 = 12$ $4 \times 3 = 12$ $12 \div 4 = 3$ $12 \div 3 = 4$

We were planning our House Captain elections for this Friday but have postponed them until Friday 20 February to give the candidates a little more time to prepare their speeches.

Recently I attended the State High student leadership induction. I felt enormous pride to see so many of our former Sherwood students taking up significant leadership positions at State High. I also know that our former students are well represented in student leadership roles in other State and non-government schools – great to see!

PARENT INFORMATION AFTERNOON – READING

We will be holding a Reading Information afternoon for FIRST TIME PARENTS.

Date: Wednesday 18th February

Time: 4pm-5pm

Place: Music Room

The purpose of the afternoon is to provide information to assist with understanding of the Reading process and tips on encouraging reading at home.

Presenters: Francine Hayler (Deputy Principal); Heidi Casperson (HOC) and Kelly Alexander (STLaN)

If you would like to attend, we ask that you please organise alternative care for small children. If you have any enquiries, please direct them to hcasp1@eq.edu.au

We look forward to seeing you then.

LIBRARY NEWS

Ann Cross, Teacher-Librarian

Welcome back to 2015. Congratulations to all our Prep students who borrowed for the first time last week, you did a terrific job.

All classes have a set time for borrowing during class time each week. As we love reading at Sherwood we encourage all students to borrow outside their set class time. Parents and older siblings can accompany younger students to the library, either before or after school. Please ensure that all students have a library bag, this helps protect our books and prolong their shelf life.

How many books can students borrow?

Prep and Year One	1 book
Year Two	2 books
Year 3 – 6	3 books

Books have a maximum loan period of 2 weeks.

If a book is lost please contact the Library as soon as possible so that a search of the classroom and the Library can be undertaken. If a book is damaged please do not repair it at home, return the book to the library and we will undertake repairs.

Parents who are not sure of their child's borrowing day, please contact your child's class teacher or the library for this information.

Happy reading everyone !

MUSIC MESSAGES

Rebecca Starr

Choir

Rehearsals for the choirs begin **next week** with the Year 1-2 Choir starting on Wednesday morning at 8am in the Music Room. Cantori will follow on Thursday morning at 7:45am and La Bella Voci will be rehearsing on Friday at 7:45am. Any notes still to be returned should be sent in as soon as possible.

Strings

Thursday night the Beginner String players parents are coming along for a lesson of their own! It's a chance to learn what to look for when your child is practising their violin, viola, cello or double bass. Details have been sent home via email but please contact Harmony Woollett if you have a query about the evening.

Sinfonia will be starting rehearsals next Tuesday morning in the Music Room. Be set up and ready to play by 7:45am!

Band

All our beginner students should be getting into their practice each day. A little each day will help with muscle memory and stamina. Don't do too much or you might hurt yourself! Keep track of all practice in their music books, there is a spot to check and sign at the end of the week's work. Any outstanding notes for band need to be brought into the office or to the music room.

Senior Band will be starting rehearsal next Tuesday morning in the New Hall. Be set up and ready to play by 7:45am!

Westcent Camp Auditions

Our senior instrumental students are eligible to audition for a place in the Westcent Instrumental Camps. Students in Year 4-6 from the Strings program and Year 6 from the Band program have the opportunity to spend a week of school time rehearsing with local Education Queensland Instrumental teachers to produce an outstanding program of challenging music. The Intermediate Camp is a non-residential camp (students attend only during the day) and Year 4 String players will only be able to attend this camp. Honours Camp is a residential camp (students stay overnight at the venue) and is open to all eligible Year 5-6 Instrumentalists. The String ensembles and Bands come together to perform as full orchestras, which, for some students is their first opportunity to play in a full orchestra. Audition details will be out soon, and will be held mid-March. Needless to say, perfect practice makes perfect! Get into your practice as soon as possible! Scales, sight reading and a set piece will make up the audition requirements. More information will be passed on as it becomes available.

Sorry, new hats haven't arrived as yet, still waiting. The new date of arrival is the 24/2/15. Sorry this is out of my control. The new skorts should be in next week, I will keep you posted. Massive second hand and new items sale still on! Come in quick to get the bargains, all going out for \$1 and \$2. If you would like to place an order or get hold of me please use my email address as the uniform shop email address is very unreliable asta.parker@bigpond.com Thank you Asta.

TUCKSHOP NEWS

Cathie Perkins, Tuckshop Convenor, 3379 3881

Wednesday, Thursday & Friday (Closed Monday & Tuesday)

Tuckshop is open! We have updated the menu on the school website, please check it as we have had to increase some prices this year due to rising food costs. School 24 is up and running, online ordering is compulsory for preps, and available to all other students. This is simple and fast once you give it a go. We are short of Friday volunteers this year, and I look forward to meeting some new parents who can help in this way, please see me in the tuckshop if you have any interest or pick up a form from the office. We are also interested to get a few new parents on the tuckshop committee, you do not have to be on the roster to be on the committee, if you have small children at home this is a simple way to be involved.

New item this term is the Sherwood Slider. A mini beef burger with cheese, lettuce & sauce. Why not order one today ?

SHERWOOD SHARKS

Swimming class availability

We still have a number of vacancies in some classes. To check availability and times please contact our swim class/squad coordinator, Vanessa Raymond at squads@sherwoodsharks.com

Date claimers

Oxley Cup	8 March
Club Championships	22 March
Break up and presentation night	27 March

Friday Club Night

Friday night club night started with a bang last Friday night, 6th February 2015. We had an excellent turn out. Just a reminder to new families that you need to order dinner early to get your preference as Asta's yummy specials go quickly. Come at 5pm for registration for an approximately 5.30 swim start.

Volunteers

We need more volunteers on Friday nights. The same 'old' faces you see doing marshalling, the canteen, the barbeque or the time keeping are all volunteers who do it week in, week out. If you did not volunteer last week, please go and ask if you can help out. That person may well want to sit in the stands and watch their children swim. Your kids will love to see you involved in the evening.

Club Night Results

In past years we have used an app, Meet Mobile, to publish our upcoming races for club night and allow paper free access to race results and times. This is a fantastic way of getting this information out easily and efficiently to our swimmers and their families. This year we are still using Meet Mobile, but unfortunately discovered on Friday night that the app developer is now charging users for access. The charge is \$7.49 for a year or \$2.49 per month. Unfortunately this charge is something we have no control over. We will continue to publish our results to meet mobile but our registrars will also now arrange for the Club Night results to be printed and made available at the pool in the week following each Club Night, for those who do not use Meet Mobile.

Committee Members needed – another call out

As 2014 saw us farewell both grade 6ers and 7ers off to high school, we also farewelled a number of long standing committee members as their children left primary school. Again this year, a number of long standing committee members will be resigning their positions as their commitments will be shifting to other schools. We would really like to see some new faces on the committee in 2015 so that next year, those members will have learnt the ropes from the existing members. If you are interested in helping out on this fun and social committee and on providing a wonderful opportunity to the little swimmers of our community, then please contact one of the committee members via the webpage <http://sherwoodsharks.com>

Friday Afternoon Skills Clinics – Term 1, 2015

We offer free skills clinics every Friday afternoon at 4pm.

6th February	Underwater Technique

Please let Coach Kendall know if you are going to attend the weekly skills clinic

Payments

It is already week three of the term and the children are into their second week of swimming. If you have not paid your swimming fees as yet, please do so asap.

BOOK CLUB

Orders for Book Club **must be in by Friday, 13 February**. Please ensure all orders are in by this date.

BAND NEEDED FOR THE FETE

If anyone knows of a band who would like play at the School fete on 9 Saturday May, please contact Lisa at bellamywells@hotmail.com. Thanks!

SCHOOL CROSSING SUPERVISOR – NOTICE TO SCHOOL COMMUNITY

Parents and teachers are asked to encourage their children to use the supervised crossing and to set a good example themselves by obeying the School Crossing Supervisor's directions whenever they use the crossing.

Stop when the STOP sign is displayed

When the School Crossing Supervisor holds up the STOP sign all road users must stop their vehicles, clear of the crossing. Road users must not begin to accelerate until all pedestrians including the School Crossing Supervisor are safely on the footpath on either side of the road. If a vehicle has stopped to give way to the pedestrians at a crossing facility, do not overtake the vehicle while it is stationary.

Failure to comply is an offence that will be reported to the Police.

No Stopping Zones

The 'No Stopping' zones delineate the School Crossing Supervisor's workplace and serves to protect an area on either side of a crossing facility. It is important to the safety of pedestrians who use the crossing facility that this road rule is followed. If this is ignored the enforcement agencies will be contacted. The design of a crossing facility is a standard layout described in the Manual of Uniform Traffic Control Devices to allow School Crossing Supervisors/ pedestrians to have a clear view of approaching vehicles and vice versa.

School Crossing Supervisor's have the authority to report any incidents that affect their personal safety and the safety of pedestrians. They will record registration numbers and details of offending vehicles and report them. There are no circumstances where a driver can stop in the crossing zone, drivers delivering or waiting for children are no exception and are not exempt.

Supervised crossing procedure

The School Crossing Supervisor will ask all pedestrians, both children and adults, to wait on the footpath. When a suitable gap appears in the traffic from both directions, the supervisor will extend the STOP sign to face the traffic and when it is safe to do so proceed to the centre of the road with the STOP sign displayed. The supervisor will blow two blasts of the whistle to indicate that it is safe for pedestrians to cross. When all pedestrians have cleared the crossing, the School Crossing Supervisor then returns to the footpath.

All cyclists, skateboarders, children wearing roller blades or with scooters will be asked to dismount and walk their 'wheels' over the crossing.

Please assist your School Crossing Supervisors – they are here to protect your children.

ASSESSMENT AND TREATMENT OF FEARS AND ANXIETY IN CHILDREN – GRIFFITH UNIVERSITY Parents, is your child fearful of certain situations or do they seem to experience ongoing feelings of anxiety? At Griffith University, we are conducting a large-scale study for children (10 to 13 years of age) with anxiety that includes a thorough assessment and a novel, home-based treatment using computers and telephone contact from a trained clinician. We are providing this service at no cost to families. To find out more about this project, please contact our team on 07-3735 3349, cadrp@griffith.edu.au.

Are you a parent of a child with type 1 diabetes?

Every day, thousands of Australian children suffer the effects of type 1 diabetes and families struggle with illness management and children's behavioural and emotional adjustment.

Positive Parenting for Healthy Living is an adaptation of the successful Triple P-Positive Parenting Program offering practical ideas and support for parents of children with type 1 diabetes. This innovative group program is designed to help parents manage their child's illness, assist children in coping with their illness and emotions, and prevent and manage difficult child behaviour.

Over the next few months and for a limited time only, parents of 2-10 year old children with type 1 diabetes are able to access Positive Parenting for Healthy Living Triple P as part of a University of Queensland research project. Parents will be able to attend the program free of charge, and will be asked to complete 2 sets of assessment measures (questionnaire and family observation) over a 6 month period, as part of the study. Contact Aditi Lohan on (07) 3346 7689 or email diabetes.healthyliving@uq.edu.au, or visit <https://exp.psy.uq.edu.au/t1diabetes> for more information.
