

Join us for a

Long Lunch

Connection is the **Energy** that is created between people when they feel seen, heard and valued. – Brene' Brown

One of the most exceptional strengths of this school, is its sense of community. Parents, staff, community members all working together to support the wellbeing and learning of our students. This community connection is something that we do not take for granted, it is something that we want to continue to strengthen and build.

On **Sunday 3rd March**, Sherwood State School will be hosting a **Long Lunch**. This event is designed with one key purpose – to strengthen the connections between families, both new and old. It is an opportunity for families to sit and relax over a delicious meal, talk, connect and grow our community.

I am seeking some support from parents to assist with organising this event. There is a '*light load*' (I promise!) of duties as this event is **minimal effort** for **maximum affect**. If you would be interested in being a part of the **team** of people to run this Long Lunch, please email me at ewilk66@eq.edu.au

Kind Regards,
