

Dear parent/guardian,

## CONSENT FOR STUDENT OBSERVATION IN EARLY CHILDHOOD EDUCATION CENTRE

In Term 4, our early years staff will be conducting visits to some of our local Early Childhood Centres/Kindergartens. During these visits, we hope to observe your child in their familiar setting, and talk with their Early Childhood Teachers.

The observations made by the Sherwood State School staff member will assist in class placement for Prep in 2026, and is one of the many ways we work to support families to ensure a smooth transition to school.

We require your permission to conduct this visit, and therefore ask for you to please complete and return the form below. Please note, if your child is not attending the centre on the dates we visit, please note our staff member will gain observations by speaking with their primary educator instead.

Please note that we do not attend every kindergarten, and visits depend on the enrolments from across the local kindys.

If you have any additional questions, please contact me via email [hjame88@eq.edu.au](mailto:hjame88@eq.edu.au) or phone the school on 37162111. Thank you for your assistance.

Kind Regards,

Helen James  
Enrolment/Administration Officer
