

UNIFORM POLICY

Purpose

The Sherwood State School expects that all students will abide by the school's *Uniform Policy* and wear the correct school uniform every day.

We ask that students wear the proper school uniform every day, as it:

- Encourages school pride, promotes a sense of belonging, and adds to students' self-respect.
- Demonstrates a unified school identity and fosters a strong public image throughout the wider community.
- Decreases competition amongst students and makes daily clothing selection straight-forward.
- Increases safety in the playground and on excursions, enabling easy identification of Sherwood State School students.
- Complies with the Department's sun safety guidelines.
