Tuckshop opening hours are 8.00am – 2.30pm. All volunteers are not required for the whole day but we do need to make sure we are covered for most of this time. It works well, especially on Fridays, to have someone from 8.30am so the orders can begin to be processed. From approximately 9am until 10.30 all food is prepared and heated. Orders are put in the baskets from around 10.40 till 11am. First break counter service is 11-11.45am. Second break counter service is 1.30-2pm. If you are only available during specific times please let us know.

If you provide an email address your roster will be emailed to you as will other news and information regarding tuckshop as it arises.

You do not need to organise your own workmates…it can be a great way to meet new people….however some people do like to organise their own team and organise amongst themselves who comes to each of their rostered days. If you wish to organise your own team we will still need contact details for each member.
